& Repen- tance

Forward

In this day and age, it would be extremely difficult to argue to existence of the devil, for with the rise of violence and natural disasters, a person would have to be blind to not acknowledge these things. True, many Christians have backslid and have even left the faith entirely yet Christ is still Lord. With this being the first booklet for series I have compiled this simply as a scriptural guide so that you may reflect on the word of God so that you may have that firm relationship that He wants to have with you.

Reflection on Forgiveness

Before we begin with the scriptures, I simply ask you this: Who are you to not forgive? For if you are not sinless how could you even get something so prideful in your mind? For all that you do God always forgives you. In my honest opinion I believe this is one of the reasons that the world has become so insane. EVERY- ONE has done something wrong yet we get some people who hold grudges as if they are perfect. Have we not all have sinned?

I am aware that there are many scriptural guides and you may wonder what is so different from ours, therefore the slight difference is that after each verse we wish that you answer the questions to reflect and build from what you've read.
